

Prayer for Karma Relief

September 15, 2007

Humanity has immeasurably heavy burden of karma.
Various events will happen here on earth for karma cleansing.
Humanity has to bear coming trials for purification.

I have made up the "Prayer for Karma Relief" to help you reduce such burden of karma as much as possible.

There are no sins that are not forgiven.

Your sin will be forgiven by wholeheartedly repenting and chanting Gayatri Mantra 3 malas (108x3 times).

Most people, however, pray with the superficial mind alone and their prayer has no effect. This is because they are not connected to the subconscious or unconscious mind.

"Prayer for Karma Relief," however, enables you to be connected to the subconscious mind as well as the unconscious mind. For this reason, this prayer is surely granted by Mother Divine.

It takes five to six hours to finish giving this prayer.

When deities and ascended masters in spiritual hierarchy who have fallen to lower planes want to return to their original planes; those who are scheduled to go to hell want their sins to be forgiven; or spirits suffering in hell want to be immediately saved and raised to the spirit world, giving this prayer just once with five to six hours of time is sufficient.

However, such people who have been saved by giving this prayer still have heavy burden of karma. It is necessary to give this prayer at least several times in the lifetime, the frequency of which depends on degree of karma. (As for people with heavy burden of karma, karma would be almost cleansed if they give this prayer in all nine times.)

In order to reduce karma of the whole humanity as much as possible, I wish each of you to reduce your own karma by giving this prayer.

Prayer for Karma Relief

1.

“Mother Divine, please guide me so that I can wholeheartedly repent for sin I have committed.

Mother Divine, please guide me so that I can wholeheartedly repent for sin I have committed, in the subconscious realm, too.

Mother Divine, please guide me so that I can wholeheartedly repent for sin I have committed, in the unconscious realm, too.

Mother Divine, please guide me so that I can wholeheartedly repent for sin I have committed.

Mother Divine, please guide me so that I can wholeheartedly repent for sin I have committed.

Mother Divine, please guide me so that I can wholeheartedly repent for sin I have committed.”

With a set of above 6 phrases, repeat 324 times (3 malas=108x3 times). You can give this prayer aloud or silently.

2.

The above prayer 1 has enabled you to be connected to the subconscious mind as well as the unconscious mind. So wholeheartedly repent and ask Goddess Gayatri to forgive all sins you have committed.

When asking, you can use any words you like.

And then repeat Gayatri Mantra 3 malas (324 times) and end it with “Om, Shanthi, Shanthi and Shanthi-hi.”

3.

Give the “Prayer for Exorcism (12 Systems)” and “Prayer for Purification (12 Systems)” * once, respectively.

Do all these 1, 2 and 3.

Note) As for deities who have connection with the subconscious mind and the unconscious mind, 1 is not necessary; it is sufficient to do 2 and 3.

* “Prayer for Exorcism (12 Systems)” and “Prayer for Purification (12 Systems)”
